

## **Call for After Incident Reports**

AristaTek is sending out a call to all of the many First Responder organizations out there who use the PEAC-WMD tool as they serve and protect. We would appreciate you sharing copies of your After Incident Reports with us. We will include them in our newsletter and on our website. Your experience can be beneficial to other First Responder Organizations across the country. Plus, this is a great way to shine a light on your team and let them know you are proud of their efforts and the work they do. Not often enough do they hear thank you or job well done. AristaTek would like to have an opportunity to salute all of you First Responders on a job well done in the newsletter and on our website. Please include a photo of your team and we will post it beside the report. Send reports and photos to: [janet@aristatek.com](mailto:janet@aristatek.com). Or mail them to- AristaTek, Attention, Janet, 710 E. Garfield St., Suite 220 Laramie, WY 82070

**Thank you all for the work you do**
